Dear Sirs,—

I desire to acknowledge the receipt of your favor of the 24th inst. and also to thank you for the catalogues received from time to time ~~in the past~~. I do not think it will pay you to keep my name on your list, though I am as interested as ever.

Unfortunately I am limited in the amount I feel that I

ought to expend for coins.

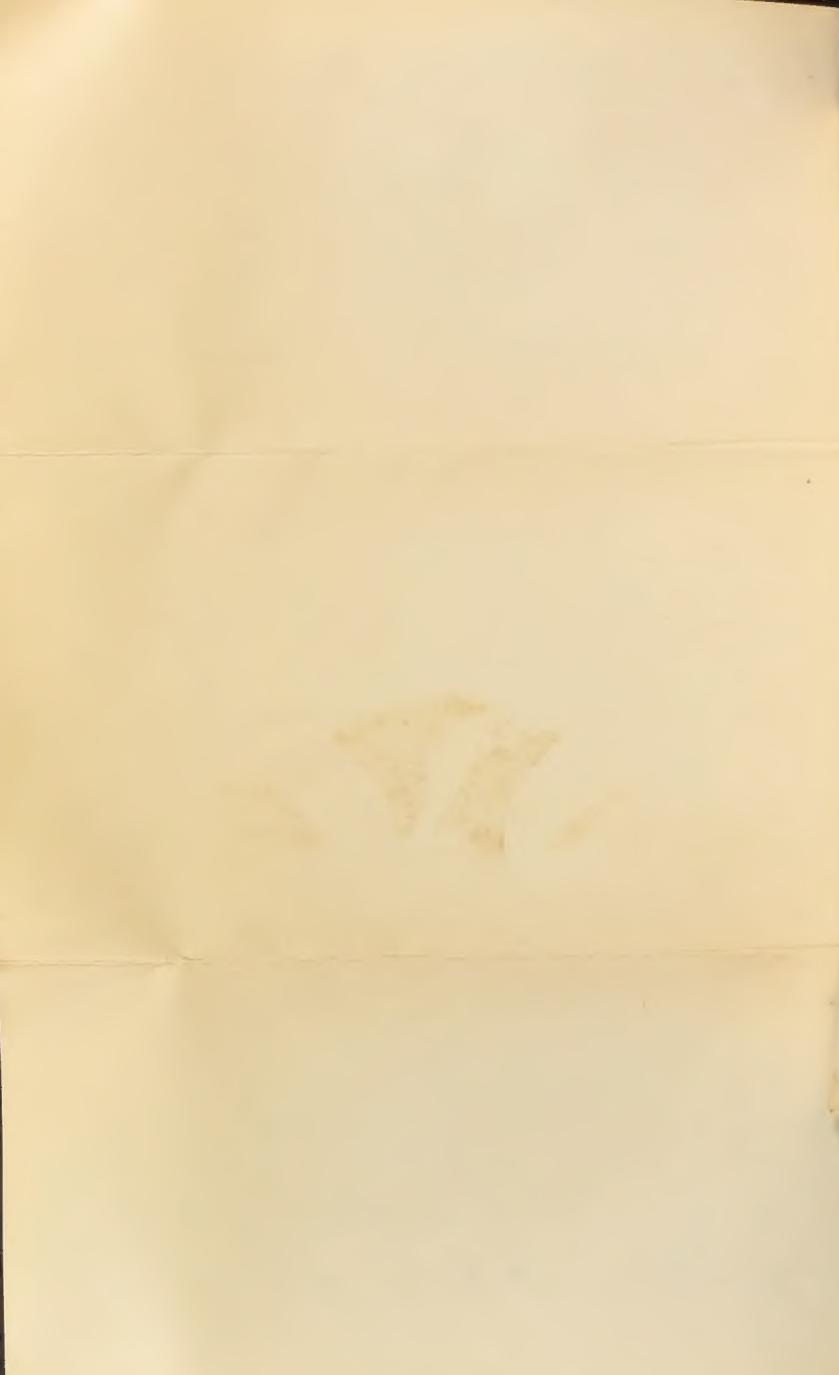

I have buying from a fine collection in the city here and a dealer in coins comes around about once a month with things I cannot resist and which prove more satisfactory than buying at auction.

Thanking you for past favors and expecting to depend on you for some coins in the future.

Very truly yours

William E. James.
